| Updated: | 06/25/2020 | Due date: | |
| Chirp Version: | daily | | |
| Equipment Loan Offered: | No | | |
| Subject: | CRT 270M | | |
| Description | | | |
| <p>Hi, is there coming a version for the CRT 270M? It is nearly the same than AnyTone 5888UV and Intek HR-2040. Cheers Sten, dk7by</p> | | | |

History

#1 - 06/25/2020 04:58 pm - Bernhard Hailer

- Status changed from New to Feedback
- Target version set to chirp-daily
- Chirp Version changed from 0.4.0 to daily

Could you please try Chirp, using the Intek HR-2040 driver? That might work.
