- Status changed from New to Feedback
- Priority changed from High to Normal
- Target version set to chirp-daily

This model is supported for a while already.

Have you tried with a recent version since you submitted this?

If you haven't, and if you're still having this issue, please refer to the Wiki [\[\[How To Report Issues\]\]](#) and provide a debug log (the one you provided is from an old version of Chirp and doesn't tell us enough). Thanks!
