### History

#### #1 - 02/12/2017 03:15 pm - Tim Smith

- Subject changed from Any developers in the Netherlands to add support for Wouxun KG-UV920? to Wouxun KG-UV920

#### #2 - 05/12/2017 07:34 pm - Phillip Cash

I would like to show my support for this model to be added. My SAR group uses chirp for 3 other models and this is the exception. Please and thanks.

#### #3 - 02/18/2020 03:50 pm - Bernhard Hailer

- Status changed from New to Closed

- Target version set to chirp-daily

- Chirp Version changed from 0.4.0 to daily

There are two variants of the UV920: the R (#611) and the newer P (#386) model. Both have been requested already. Please leave further feedback at the corresponding ticket. Thanks!
