Subject:	Copy and paste function Do not work with Excel 2016!!!		
Description	I had to copy into notepad to paste data into chirp		

History

#1 - 01/23/2020 05:18 pm - Bernhard Hailer

- Status changed from New to Feedback
- Target version set to chirp-daily
- Chirp Version changed from 0.4.0 to daily
- Platform changed from Windows to All

This is normal. When you copy from Excel and paste it into Notepad, it automatically converts the data into CSV. You need to export the Excel file as CSV file, then you can copy & paste from that file.

#2 - 03/04/2020 03:00 pm - Bernhard Hailer

- Status changed from Feedback to Closed
- Model affected changed from (All models) to unknown
