| <b>Subject:</b>  | Yaesu FT818ND - programming memories using Chirp |                  |        |
| <b>Description</b>   |  |                  |        |
| Will Chirp be updated to allow the memories to be updated in this new version of the "FT817" ? |  |                  |        |
| I have tried, but get an error message when reading from the FT818ND                           |  |                  |        |
| Thanks   |  |                  |        |
| Bill G0STR   |  |                  |        |

### History

#### #1 - 12/02/2018 09:09 am - Vinny Stipo

Posted patch to [chirp\_devel] [PATCH] [FT818] New Model Support Yaesu FT-818 #5607

#### #2 - 03/06/2020 02:26 pm - Bernhard Hailer

- Status changed from New to Closed
- Target version set to chirp-daily
- Chirp Version changed from 0.4.0 to daily

Should work now.
