| Description | | | |
| I can't add the tone 88.5 from a clear area. For put the tone need to choose another one first and later chznge to the 88.5 | | | |

History

#1 - 05/09/2020 11:17 pm - Bernhard Hailer

- Status changed from New to Feedback
- Target version set to chirp-daily
- Model affected changed from (All models) to unknown
- Platform changed from Windows to All

Have you been able to resolve this on your own since you submitted this?

Have you tried with a recent version since you submitted this?

Sorry, but this bug report is too skinny, we need details.

- Which radio are you using?
- Does the radio support this tone? (it should.)
- what do you mean by "I can't add the tone 88.5 from a clear area."?
