Subject:	Add support for Kenwood TS-850		
Description	<p>Support for the Kenwood TS-850 is required.</p> <p>I have already coded up a new driver based around the kenwood_live base class and will be emailing a patch shortly.</p> <p>I would greatly appreciate it if the support could make it into the next version.</p>		

Associated revisions

Revision 3006:1cc439e847b0 - 11/10/2018 09:26 pm - Antony Jordan

Add support for Kenwood TS-850 #6229

History

#1 - 11/10/2018 03:44 pm - Antony Jordan

Patch has been emailed to the mailing list.

#2 - 05/11/2020 09:39 pm - Bernhard Hailer

- Status changed from New to Closed
- Target version set to chirp-daily
- Chirp Version changed from 0.4.0 to daily

This appears to be complete.
