

CHIRP - Bug # 6415

Status:	Closed	Priority:	Normal
Author:	Daniel Clemmensen	Category:	
Created:	01/26/2019	Assignee:	
Updated:	05/12/2020	Due date:	
Chirp Version:	daily		
Model affected:	(All models)		
Platform:	Windows		
Subject:	invalid CHIRP Version string		
Description			
<p>My version string (CHIRP_VERSION) is set (in <code>__init__.py</code>, line 20) to "0.3.0dev", but this string fails to parse in <code>get_version</code> (in <code>chirp_common.py</code>, line 1569). I cannot supply a patch because I don't know what behaviour we want here.</p> <p>My version is not really a daily. It's a Mercurial clone that I (try to) keep up to date.</p>			

History

#1 - 05/12/2020 07:20 pm - Bernhard Hailer

- Status changed from New to Closed
- Target version set to chirp-daily

I believe this is resolved. Dan C, contact me in case you need this reopened. Cheers!
