Sorry, it took a while (and maybe you found out by yourself already): you can't write to the radio before you downloaded from it. Once you downloaded an image, you will find that the "upload" menu item is now accessible.

Siamo spiacenti, ci è voluto un po' (e forse l'hai già scoperto da solo): non puoi scrivere alla radio prima di aver scaricato da essa. Una volta scaricata un'immagine, scoprirai che la voce di menu "carica" è ora accessibile.
