#2 - 02/11/2020 11:54 am - Bernhard Hailer

- Subject changed from Radio not connecting to Yaesu VX-8DR not connecting
- Status changed from New to Closed
- Priority changed from High to Normal

No more feedback by submitter.

(This driver works fine, I'm using it with my VX-8DR without problems. If you need further assistance, please provide a debug log as described in the Wiki article [\[\[How To Report Issues\]\]](#).)
