

CHIRP - New Model # 6769

Status:	Closed	Priority:	Normal
Author:	Joe Powles	Category:	
Created:	05/06/2019	Assignee:	Jim Unroe
Updated:	08/13/2021	Due date:	
Chirp Version:	daily		
Equipment Loan Offered:	Yes		
Subject:	Retevis RT87		
Description	<p>[[https://www.retevis.com/ip67-dual-band-rt87-amateur-radio]]</p> <p>I own 10 of these radios. I'm going to use them for my company on MURS and FRS bands. The manuals are for shit. I have 1 radio programmed and would like to clone it to the rest of the lot.</p> <p>The retevis software reboots the device and times out for all read or write requests. It would be great if chirp supported this device so I don't have to manually program all 10.</p> <p>I am willing to loan a device out to one of your developers to make this happen.</p>

[RT87] Add Retevis RT87

This patch adds support for the Retevis RT87 two-way radio.

#6769

History

#1 - 09/17/2019 09:52 am - Christopher Beaumont

I second the request! Programming RT-87 and RT-21's... need the 87 please!

Is there another radio profile that works in the meantime?

#2 - 05/14/2020 10:10 pm - Bernhard Hailer

- Subject changed from *Retevis RT87 Model Request* to *Retevis RT87*

#3 - 07/30/2021 06:25 pm - Jim Unroe

- Status changed from *New* to *In Progress*

- Assignee set to *Jim Unroe*

Retevis has donated an RT87 for use with this development project. I will be working on it.

Jim KC9HI.

#4 - 08/04/2021 06:31 pm - Jim Unroe

- Status changed from *In Progress* to *Resolved*

- % Done changed from *0* to *100*

Patch submitted. Support for the Retevis RT87 will be in the next CHIRP daily build following acceptance of the patch.

Jim KC9HI

#5 - 08/13/2021 02:14 pm - Jim Unroe

- Status changed from *Resolved* to *Closed*

Patch accepted. Support will be in the next CHIRP daily build.
