

CHIRP - Bug # 6825

| | | | |
|--|--------------|------------------|--------|
| Status: | Closed | Priority: | Normal |
| Author: | Rich Struve | Category: | |
| Created: | 05/31/2019 | Assignee: | |
| Updated: | 09/25/2020 | Due date: | |
| Chirp Version: | daily | | |
| Model affected: | Retevis RT23 | | |
| Platform: | Windows | | |
| Subject: | RT23 | | |
| Description | | | |
| <p>I have tried this several times. On several computers as well. Just downloaded the latest verion. Chirp works on my other radios as well, even my RT6. The RT23 will download from the radio, but it will not upload to the radio, it gets and error. Screen shot attached.</p> | | | |

History

#1 - 05/14/2020 11:05 pm - Bernhard Hailer

- Status changed from New to Feedback
- Target version set to chirp-daily
- Model affected changed from (All models) to Retevis RT23

Have you been able to resolve this on your own since you submitted this?

Have you tried with a more recent version since you submitted this?

If you haven't, and if you're still having this issue, please refer to the Wiki "[[How To Report Issues]]" and provide a debug log. Thanks!
