[ic-v86] Adding support for Icom IC-V86. Fixes #7231

### History

#1 - 02/14/2020 02:23 pm - Bernhard Hailer

- Subject changed from ICOM IC-V86 PROGRAMMING /chirp version to Icom IC-V86
- Target version set to chirp-daily

Well, it requires the implementation of a driver for this radio. Maybe someone takes the job?

- Status changed from New to Feedback

Please don't share software made by other parties on this forum, it would potentially violate copyrights.

Somebody will have to write a driver for this radio, or modify an existing one. Until this hasn't happened, Chirp won't be able to drive this radio.
