#7209 was closed, because it duplicates #7065.

Please refer to Wiki: [\[\[Rules For Loaning A Radio\]\]](#), and then (if you agree with the rules) please add a post in issue #7065, in which you declare your will to offer a sample. We will set the "Equipment loan offered" flag in that ticket once you did. - We will close this current ticket #7589 soon, because it's another duplicate of #7065.

The fact that an equipment loan has been offered does not mean that someone will start to work on it right away. This task still requires a volunteer who takes it, and that could take a while.

Duplicates #7065.
