Chirp Version:	daily		
Equipment Loan Offered:	No		
Subject:	Baofeng BF-V9		
Description			
<p>I bought Baofeng BF-V9 (which should be updated version of BF-888s), and I am trying to program it with Chirp (under Linux).</p> <p>Unfortunately, I cannot select correct model from Chirp menu. I tried some other models, but Chirp cannot read from radio.</p> <p>Any help?</p>

The model you should select is BF888. Make sure the programming cable is fully inserted into the radio.
