Here's the program I was trying to run.

"chirp-daily-20200213-installer.exe

13-Feb-2020 00:07

12M

Windows Installer (recommended)"

- Status changed from New to Feedback

- Target version set to chirp-daily

Do you have any details? Any error messages?

Things like this are typically caused by the operating system and aren't necessarily a problem with Chirp.
