History

#1 - 03/30/2020 06:17 pm - Bernhard Hailer

- Status changed from New to Feedback
- Target version set to chirp-daily
- Model affected changed from (All models) to unkn

Can you give us some details, please? Does Chirp not start, or does this happen when you connect with a radio...?
Please save the whole debug log in a file and attach here. Thanks!
