History

#1 - 07/07/2020 02:39 pm - **Bernhard Hailer**

- Status changed from New to Feedback

- Target version set to chirp-daily

This radio is currently not supported; however, possibly it is just a rebranded radio of some type we do support - hard to say. To figure this out, could you please provide a debug log as described in the Wiki: "[[How To Report Issues]]"? Thanks!
