Updated:	10/05/2020	Due date:	
Chirp Version:	daily		
Equipment Loan Offered:	Yes		
Subject:	TCA AN/PRC-152 (Harris AN/PRC-152 clone)		
Description	<p>Add support for TCA AN/PRC-152A radio (http://www.px-airsoft.com/showroom/model/T0002/templateProductDetails.do?ParentId=1214745887149&#38;productId=149289017188077136&#38;editCurrentLanguage=1213907847692&#38;webId=1213907847691). Programming software is available in some related Facebook groups. I'm not sure its available reliably anywhere else...</p> <p>Programming is done via serial over the U-329 connector on the top of the radio.</p> <p>I own one of these radios and would be happy to loan to someone if they wanted to take on this project...</p>
