History

#1 - 04/29/2021 11:36 am - Rick DeWitt

- Due date set to 06/16/2021
- Status changed from New to In Progress
- Assignee set to Rick DeWitt
- Target version set to chirp-daily
- Estimated time set to 45.00
- Equipment Loan Offered set to No

This one is on my list. I have loaner radio available locally.

Will be a live-mode driver with settings.

Hi Rick, is this related to the IC-7300 you're working on? Would it also work with IC-9700 or should that be a completely different request?
