

## CHIRP - Feature # 9257

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	Jim Unroe	<b>Category:</b>	
<b>Created:</b>	08/02/2021	<b>Assignee:</b>	Jim Unroe
<b>Updated:</b>	08/13/2021	<b>Due date:</b>	
<b>Chirp Version:</b>	daily		
<b>Model affected:</b>	(All models)		
<b>Subject:</b>	It is not possible to use integer settings in mem.extra		
<b>Description</b>	CHIRP currently does not support the use of RadioSettingValueInteger() in mem.extra settings. Integer settings should be supported.		

### History

A patch was proposed by Dan Smith for adding this support. My testing has shown that the proposed patch successfully provides the requested support for integer settings in mem.extra. I will submit this patch along with the CHIRP driver I am currently working on that will benefit from CHIRP having this new capability.
