<b>Subject:</b>	Vertex & Vertex-Standard, e.g. FTL-1011, FTL-2011, FTL-7011		
<b>Description</b>	<p>Gentlemen,</p> <p>Will the Vertex-Standard programming under Chirp work with the earlier models of Vertex like with the FTL-1011 VHF Low Band (4,12, 24, &amp; 99 Channel Alpha Numeric), FTL-2011 VHF High Band (4,12, 24, &amp; 99 Channel Alpha Numeric) and the FTL-7011 UHF 400-512 (4, 12, 24, &amp; 99 Channel Alpha Numeric) radios? Plenty of the still floating around and they work great for Amateur bands also.</p> <p>Thanks</p>
