Updated:	04/16/2022	Due date:	
Chirp Version:	daily		
Equipment Loan Offered:	No		
Subject:	Baofeng UV-16		
Description			
Dear reader,			
If bought myself a pair of beautiful baofeng UV-16 radios.			
Unfortunately I can't find any way to program them in the software or supported devices.

- Status changed from New to Feedback

To add support it generally requires physical possession of the radio, the proper programming cable and the factory programming software.
